Douglas Weiss, Ph.D. Joins Addicted.com as Treatment Professional

Noted Sexual Addiction Specialist Will Provide Insight to Groundbreaking New Addiction Community Website

LOS ANGELES--(BUSINESS WIRE)--Addicted.com, the website that offers resources for addicts and their families to find support and recovery resources online, has announced that noted sexual addiction specialist Douglas Weiss, Ph.D. has joined the site as an Addiction Treatment Professional.

Weiss, based in Colorado Springs, Colorado, is the Executive Director of Heart to Heart Counseling Center, where couples and individuals visit from all over the world for counseling and 3-Day Intensives. He has authored 16 books including "Intimacy: A 100 Day Guide to Lasting Relationships" and "Sex, Men & God: Every Man's Roadmap to Sexual Success."

As an Addiction Professional on the Addicted.com website, he will contribute articles, insight and interface with the site's users in a Q&A style forum.

The Addicted.com site features a full slate of professional addiction experts that specialize in the diagnosis and treatment of common addictions including: eating disorders, gambling, sexual addiction and drug and alcohol addiction. The site also offers people seeking help a Zip Code Locator which visitors can use to find nearby recovery centers, doctors, counselors and other assistance for their addictions.

"It is an honor to welcome Dr. Weiss as one of our distinguished national experts at Addicted.com," said site Founder and CEO John S. Shegerian. "His extraordinary dedication to helping others reach a better place in their lives will be a huge benefit to us and to all of those who use the site seeking help for their addictions."

"Addicted .com is much more than a website," said Weiss. "It is a great place to start and stay on the road to recovery."

Weiss is a sought-after internationally known speaker on sexual addiction, marriage, recovery and men's issues. As a communicator for more than 15 years, he entertains and educates audiences with his direct yet uniquely personal style. His high energy and effective presentations have made him a favorite at couple's and men's retreats and conferences.

Visitors to the site can send Weiss and the other Addicted.com Addiction Professionals questions anonymously. They can also take [self-tests](#) to help determine whether they have an addiction and may need to seek help. Articles, advice, experts and other resources give users the option of complete anonymity if they are seeking resources but aren't ready to share their story with the world. To add even more in-depth assistance, Addicted.com added an online "Aftercare" program, designed to continue giving support to addicts after their treatment has ended.

[Addicted.com](#) provides addiction recovery resources and tools for addicts, family members and friends throughout the Internet community. The primary goal of the site is to maintain a well-known on-line space for people to visit when they need advice, answers, assistance or just someone to talk with.
